

SAVING LIVES

Building Champions

June 2011

The USA Swimming Foundation is pleased to announce \$249,000 in grants have been awarded to Make a Splash local partner programs across the country! These grant dollars will assist in providing quality programming, certified instructors, resources and equipment needed to help children learn how to swim. Grants will also be used to provide free or discounted swim lessons to children in diverse or disadvantaged communities. Since its inception in 2007, the USA Swimming Foundation's Make a Splash grant program has awarded more than \$1.5 million dollars to worthy local partner programs nationwide.
