

## **Racing Start Certification Checklist**

Check the appropriate box as each step is satisfactorily demonstrated. Steps one through five are described with accompanying photos in the American Red Cross Safety Training for Swim Coaches Manual. Access the manual under the "Coaches and Team Leaders" blue banner on the website. Then click "ADM" in the dropdown menu.

## Steps 1-5 must be observed by the undersigned coach for all swimmers with less than one year of competitive experience or who are 10 years of age or younger.

Progression: The swimmer satisfactorily demonstrated the ability to safely enter the water using:

- □ Step 1: The sitting position
- □ Step 2: The kneeling position
- □ Step 3: The compact position
- □ Step 4: The stride position
- Step 5: A shallow head-first entry

## Step 6 must be approved by the coach for all swimmers, regardless of age or experience. Check either one of the boxes below depending on the age and experience of the swimmer:

For swimmers ages 10 years and younger and/or swimmers with less than one year of experience: The swimmer has satisfactorily completed the racing start learning progression and demonstrated the ability to safely execute a shallow racing start from a starting block.

OR

□ For swimmers ages 11 years and older with more than one year experience: Based on prior competitive experience, the swimmer is capable of safely controlling the depth of his or her racing starts.

Based on personal observation, it is the professional judgment of the undersigned coach the swimmer identified below can perform a shallow racing start on demand and can safely perform a racing start in four feet of water.
