

SAVING LIVES

Building Champions

March 2012

The USA Swimming Foundation has recently granted \$283,874 to help forty-one Make a Splash Local Partners in twenty states provide children with life-saving learn-to-swim instruction. The USA Swimming Foundation grants out money to partner organizations on an annual basis, and to date, has granted nearly \$2.1M to our Make a Splash Local Partners.

Thank you to the many donors who have made our 2012 grants possible! The USA Swimming Foundation would like to recognize ConocoPhillips, who, in addition to presenting this year's Make a Splash Tour with Cullen Jones, has made a significant financial contribution to provide grant funding to local partner programs in the Houston area. We would also like to recognize the Elizabeth and Baretts O. Benjamin Charitable Foundation; The Copses Family Foundation; The Joseph B. Gould Foundation; Illinois Swimming; and Bob and Judy Burlingham, who have generously donated funds to the Make a Splash initiative in honor of Ambrose "Rowdy" Gaines.
