

## SAVING LIVES | BUILDING CHAMPIONS

The USA Swimming Foundation is pleased to announce its 2014 Make a Splash grant recipients. In March of 2014, the USA Swimming Foundation awarded 57 grants, totaling 329,995 to Make a Splash Local Partners in 24 states across the country! With the 2014 grants provided this year, the USA Swimming Foundation is proud to have awarded more than \$3.3 million in grant funding since 2007.

Over the summer, the USA Swimming Foundation awarded 2 grants during its Make a Splash Tour, presented by Phillips 66 and then 6 additional grants in the fall. With the inclusion of the 8 additional grants, the USA Swimming Foundation awarded 65 grants in 24 states totaling \$346,615. This grant funding is projected to serve 12,247 children across the country.

The USA Swimming Foundation would like to thank the many donors who have made this year's grants possible. We would like to extend a very special thank-you to Phillips 66, who, in addition to presenting this year's Make a Splash Tour, has made a significant financial contribution to provide grant funding to local partner programs in the Houston area. We would also like to thank The Copses Family Foundation; and The Elizabeth and Barets O. Benjamin Foundation.

Thank you to all the USA Swimming Foundation Make a Splash Local Partners who applied, and for everything you do daily to promote water safety and the need to learn to swim to children, parents, and community leaders in your area. YOU are helping the USA Swimming Foundation save lives and build champions!

Congratulations to the 2014 USA Swimming Foundation Make a Splash grant recipients listed below! (listed alphabetical by program name)

- Alexander Family YMCA
