

SAVING LIVES | BUILDING CHAMPIONS

The USA Swimming Foundation is pleased to announce its 2015 Make a Splash Local Partner grant recipients. This year, The USA Swimming Foundation has awarded 67 grants, totaling \$354,460, to Make a Splash Local Partners in 24 states across the country! These grants will provide free or reduced cost swimming lessons to more than 13,000 children nationwide. Including the grants provided this year, the USA Swimming Foundation is proud to have awarded more than \$3.7 million in grant funding since 2007.

Thank you to the USA Swimming Foundation Make a Splash Local Partners who applied, and for everything you do daily to promote water safety and the need to learn to swim to children, parents, and community leaders in your area. YOU are helping the USA Swimming Foundation save lives and build champions!

The USA Swimming Foundation would like to thank the many donors who have made this year's grants possible. We would like to extend a very special thank you to Phillips 66, who, in addition to presenting this year's Make a Splash Tour, has made a significant financial contribution to provide grant funding to local partner programs in the Houston area. We would also like to thank The Copses Family Foundation and The Elizabeth and Baretts O. Benjamin Foundation.

Congratulations to the 2015 Year-End USA Swimming Foundation Make a Splash grant recipients listed below!
